Reminders of what to bring... See the packing list ([link](#)) for specific guidelines about what to bring and what not to bring. Campers participating in the Leadership and Horsemanship programs should bring some extra money for laundry over the weekend.

Medications

Any medications must be in original containers. All camper medication must be turned in to our health assistants at check-in. Only our health staff is allowed to administer medication. Our health center stocks basic over-the-counter medications (Ibuprofen, Tylenol, Benadryl, etc.) and first aid supplies. It is not necessary to send these unless your child needs them on a regular basis. Rescue inhalers and Epi-pens are checked at the health services office, but campers are asked to keep these with them at all times.

Illness Policy

The health and safety of each guest is a priority at Grand View. We ask that all guests staying at the camp arrive healthy. If a camper has experienced any illness with symptoms of fever, vomiting or diarrhea, they must be symptom free without medication for 48 hours prior to staying at camp. This will help limit the possibility of the spread of illness to other guests at camp. We are happy to refund or transfer registration payments to another week of camp should a camper be unable attend due to illness.

Meals

Those on special diets must bring their own necessary supplements. Please contact Rachael Wilson (rwilson@grandviewcamp.org) if you have questions about our camp menu. We are pleased to offer gluten-free substitutions for main dish items for campers with dietary restrictions.

Phone Access

Phones may only be accessed by campers for emergencies.

Camper Conduct

As a Christian organization, Grand View Camp maintains high standards of conduct. Campers who use alcohol, tobacco, or illegal drugs will be dismissed. No romantic contact is allowed. Uncooperative or noncompliant campers are subject to dismissal.

When you arrive...

Upon arrival at camp, please park in the designated parking area and remain in your vehicle where our staff will meet you.

Paying Your Balance

Remaining balances may be paid online any time prior to camp or with cash/check/credit card at check-in.

Updating Camper Information

Please update camper information online no later than three weeks prior to check-in for camp so that we have accurate information for housing assignments. Please notify our office of any cancellations. Contact Rachael Wilson (928-551-7025; rwilson@grandviewcamp.org) if you need assistance.

Phone Access and Internet

Because of our remote location, phone and internet service is intermittent. Verizon usually works at the Main Lodge, although there are times when coverage may be spotty. Certain carriers may not have access on the campsite. There is an office phone with reliable service that is available for sponsors to use. Although our speed is limited, Internet access is available at the Main Lodge. The office can provide you with more information upon request.

Waiver Forms

For groups whose sponsor registered everyone as a group, please bring a signed waiver form to camp for each camper. You may also scan and email those ahead to Rachael Wilson (rwilson@grandviewcamp.org). Campers whose Parent/Guardian registered them individually have an electronic waiver signature on file.

Please Note

Bedding is provided for adults. Please bring bedding for your children. You will need to provide your toiletries and towels.

For questions regarding registration or special requests, please do not hesitate to contact us.
